## OUR HIGHER EDUCATION EXPERIENCE...

Thompson & Litton has extensive experience in the planning and design of higher educational facilities. We understand and have worked with a wide range of campus planning issues for various colleges and universities, including athletic facilities, business and computer sciences, lab sciences, general classrooms, administrative space, student life facilities, and dormitories. Additionally, our engineering group has performed stormwater and erosion and sediment control plans, water and sewer project site design, and access road projects for several state agencies.

With 129 employees strategically dispersed across Southwest Virginia and East Tennessee, T&L has more than 30 registered Engineers and Architects available to provide comprehensive design, project management, MEP, surveying and construction administration, and testing services for complete project satisfaction.

Thompson & Litton continues to provide Architectural, Civil Engineering, MEP, Surveying, and Planning services for Virginia Tech, as well as various other institutes of Higher Learning all across Virginia and the surrounding area.

## WE'RE HOKIE'S TOO!

Thompson & Litton is proud to support the Virginia Tech Hokies! Hokie Alumni among our staff includes current President Ronald G. Helton, PE; Past President and Current Board Director Otho Craft, PE and numerous Associates, Professional Engineers, Architects, and Surveyors!
